Please note: All holders of interment, burial, and columbarium rights in Bethlehem Cemetery (hereafter called owners) are responsible to read these rules and regulations in their entirety. Owners will be required to correct any noncompliance.

For the common, mutual protection of owners in the Bethlehem Cemetery, the following Rules and Regulations have been adopted by the Board of the Bethlehem Cemetery Association. All owners are subject to these Rules and Regulations and to future rules, regulations, amendments, and alterations adopted by the Board of the Bethlehem Cemetery Association. These Rules and Regulations are referenced in the “Certificate for Interment” which owners receive.

SECTION I: General Rules

1. Bethlehem United Church of Christ is a religious corporation organized and existing under the laws of the state of Michigan. It owns and operates Bethlehem Cemetery in accordance with the cemetery laws of the state of Michigan. It reserves the right to refuse admission to the Cemetery and to refuse the use of any Cemetery facilities to a person or persons in conflict with the tenets or disciplines of the Church or the reasonable policies of the Cemetery as they are adopted and amended by the Board.

2. All fees and charges for services at the Cemetery are payable at time of interment.
3. Cemetery visitors are to walk on established roads and walks and not across burial sites unless it is necessary to get to a burial place. Visitors are not to drive across burial sites.
4. Waste receptacles are located throughout the Cemetery. Trash is not to be left anywhere else in the Cemetery.
5. Boxes, borders of any materials, metal designs, chairs, benches, urns, or similar articles are not to be placed on burial sites. The Board has the right to remove these items at the owner's expense.
6. Appropriate conduct is to be used in the Cemetery. Those visiting the Cemetery are to refrain from conduct that is disrespectful of a sacred place.
7. Firearms are prohibited in the Cemetery except as they are used by a military escort accompanying a veteran's service.
8. Members of the Cemetery Board oversee compliance with these rules and regulations, maintain order, and protect and promote the best interests of the Cemetery.
9. Special cases may arise when the enforcement of a rule or regulation will cause unnecessary hardship. In that particular case, the Board may choose to suspend or modify a rule or regulation for that case only. Such suspension or modification does not affect the general application of the established rules and regulations.
10. The Church and the Board assume no liability for injuries to person or property that occur at the Cemetery regardless of cause.
11. When the Board amends or repeals existing rules and regulations or adopts additional ones, these changes will be made in printed copies and posted

outside the stone building on the Cemetery property.

SECTION II: Lots and Lot Purchases

1. Persons desiring to obtain interment, burial, or columbarium rights shall call or visit the Church Office to arrange for a Board or Church member to aid them in making a selection. Payment is to be made at the Church Office, and a Certificate of Interment will be issued detailing the plot(s), lot(s), or columbarium space(s) purchased. A sale of more than ten plots must have Board approval. Records of lots, plots, and columbarium spaces sold and available for sale are on file in the Church Office.
2. Plots, lots, or columbarium spaces may *not* be purchased on a time payment basis.
3. No license, permit, easement, or right of interment is granted to owners on roads, drives, alleys, or walks within the Cemetery.
